

Adventure Club

Ages 5 - 8

Take a Sunday afternoon break at the Bob Jones Nature Center and Preserve. This class is designed to encourage children's curiosity and concern about the natural world through hands-on activities, experiments, crafts and hikes.

Location: Bob Jones Nature Center & Preserve

Instructor: Monica Hutchins

Min 4 - Max 8

Forest Animals - Hike around the preserve looking for places forest animals might use for homes, find food or hide from predators. Make a flip open book and trail mix for the hike.

Day	Date	Time	Cost	Code
Su	Jan 24	3:00 pm-4:30 pm	\$10	4020.10a

Dog Days - Learn about the similarities and differences between the coyote and fox. Take a closer look at their skins and skulls. Make a food chain mobile.

Day	Date	Time	Cost	Code
Su	Feb 21	3:00 pm-4:30 pm	\$10	4020.10b

Snakes - We will learn about common venomous snakes in the area. Decorate your own wooden snake to take home.

Day	Date	Time	Cost	Code
Su	Mar 28	3:00 pm-4:30 pm	\$10	4020.10c

Animal Tracks - Make your own track and track book. We will have an opportunity to use our new books during a hike.

Day	Date	Time	Cost	Code
Su	Apr 18	3:00 pm-4:30 pm	\$10	4020.10d

Pond Life - Explore the pond ecosystem. Take a closer look using microscopes to identify invertebrates living in the water source.

Day	Date	Time	Cost	Code
Su	May 16	3:00 pm-4:30 pm	\$10	4020.10e
