

Birthday Parties

Ages 4 - 12 (based on the birthday girl's/boy's age)

Having fun in the natural setting of the Bob Jones Nature Center and Preserve will be a wonderful way to celebrate your child's birthday. Each party is guided by an experienced educator/naturalist who will lead the group in hands-on nature experiences that are selected to suit the age group of the party.

Parents will provide the food and beverage and the Nature Center will supply the party room, a gift bag for each of the guests and biodegradable paper products and cutlery. Balloons/candles are not permitted.

Schedule of events: During the first 30 minutes of the party, the children will view and learn interesting facts about live animals at the Nature Center. This will be followed by a hike to some of the favorite places at the preserve. The last 30 minutes is spent having cake, refreshments and opening gifts.

Available times

2nd & 4th Saturdays (10:00 am-11:30 am or 2:00 pm-3:30 pm)
