

# Home School Workshop

**Ages 6 and up**

This 1.5 hour workshop helps Home Schoolers learn all about nature. Class Themes:

**January 15 – Turtles and Lizards and Snakes, Oh My!** - A study of reptiles and how to recognize those that are venomous.

**January 29 – Don't go Batty!** - Why should we love bats? Learn about echolocation and how bats fly in the dark

**February 12 – Backyard Bird Count** – Identify birds at the Preserve, learn their food and nesting preferences and migration patterns.

**February 19 – Pollinators** – Bees, Bugs and Butterflies and the reason for a flower!

**March 5 – Butterfly Gardening** – Learn how to create a garden to attract these beautiful insects and caterpillars.

**March 26 – Spring Wildflower Walk** – Discover what is blooming in the Preserve and learn how to press flowers. Create a piece of art.

**April 16 – Pond Life** – We'll explore the abundant life down under the water and look for tadpoles, worms, spiders and more!

**April 30 – Celebrate Earth Day** – Explore ways to take care of the Earth by reducing, reusing and recycling. Take home a terrarium.

**May 14 – Dewberry Hike** - Explore the preserve for this delicious edible fruit; hunt for fossils, animal scat and tracks and other treasures.

**Location:** Bob Jones Nature Center & Preserve

**Instructor:** Patty Griffin, Montessori Teacher

**Min 5 - Max 20**
